SPR Kennzeichen 2023

Um Unklarheiten entgegenzuwirken, werden alle hier in rot eingerahmten und mit dem SPR-Logo markierten Buchstaben gewertet. In diesen Bereichen werden auch solche, mit oder jene, die keine Kreisstädte sind, wie z.B. USI, AL oder SWA, gewertet. Anzufahren ist wie angegeben die entsprechende Stadt Usingen, Altena bzw. Bad Schwalbach. Die Kennzeichen in () können natürlich nur angefahren werden, wenn der erste Buchstabe des Kennzeichens auch im Wort vorkommt!
